the terms, and every attempt shall be made to give effect to the parties' intentions as reflected

while almost all of us will experience a period of transient depression or anxiety, the statistics reveal that these
conditions are becoming a permanent pattern in the american health landscape

silver circulated in the form of bars, or ingots, as well as in the form of jewellery and ornaments

each girl (all of walkerson's subjects are girls, but he doesn't know why; it could be meaningful, or just
a coincidence) suffers from multiple health problems
